

**FEATURES:**

- genuine leather
- deeply embossed design
- rich walnut color (colors may vary slightly due to grain variation and dye lots)
- 1" overlay on to chair seat is recommended
- easy to install with upholstery nails (1" to 1-1/2" spacing is recommended)
- seats may display small horn marks, mars or blemishes which are a natural characteristic of genuine leather products (these are marks of nature and do not indicate inferior quality or lack of durability, but are a guarantee of top grain leather)
- 12" diameter

**APPLICATION:**

Use these top quality genuine leather chair seats for authentic restoration of wood chairs.
