

# IRON DOWEL SCREWS

24471-505

- 24471 - 1/4" x 1-1/2"
- 24489 - 5/16" x 2"
- 24497 - 5/16" x 2-1/2"
- 24505 - 5/16" x 3"

## FEATURES:

- made from steel
- diameters in 1/4" and 5/16"
- lengths of 1-1/2, 2, 2-1/2 and 3
- wood threads on both ends

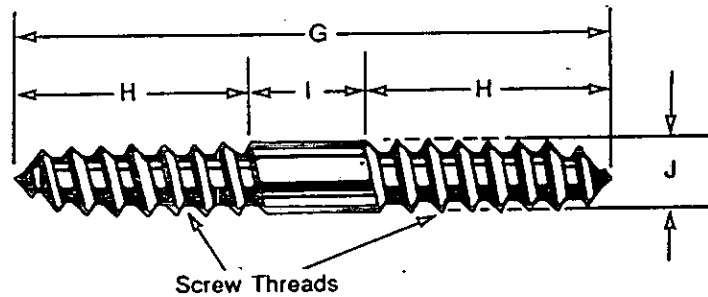

## INSTALLATION:

1. Determine position of hanger bolt, mark and indent location.
2. Drill pilot holes. (See Chart A & B, ) for size and depth of hole.
3. Install dowel screw.

## APPLICATION:

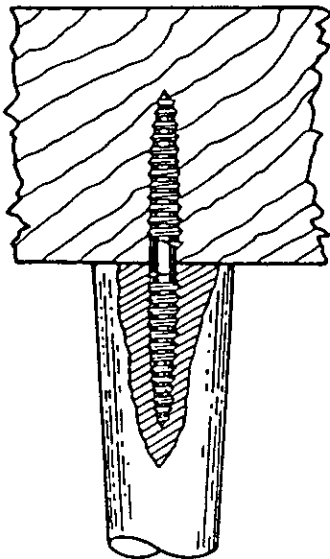

Dowel screws are threaded on both ends to join two wood members such as a leg to a frame.
