62992 - 3/8"

63008 - 1/2"

HSS UP-CUT SPIRAL BITS

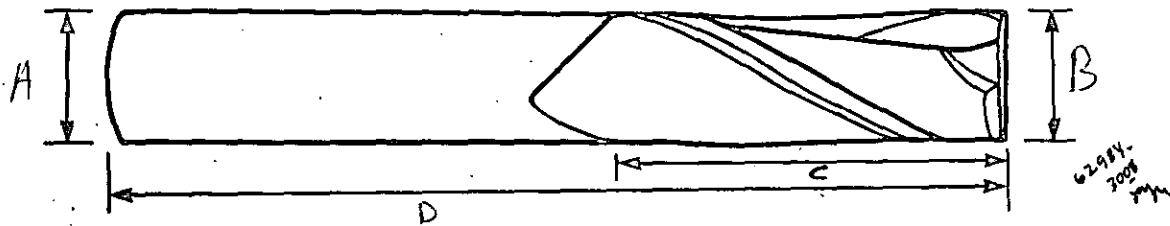

FEATURES:

- high speed steel
- double edges
- upcut spiral flutes
- for use on wood, aluminum, and non-abrasive plastics
- made by Onsrud

APPLICATION:

These double edge upcut spirals provide a smooth shearing cut when grooving, slotting or blind routing. Recommended for through cuts when upward chip removal is required.
